## We are committed to safe and pleasant travel for all

We want to ensure anyone travelling on the Adelaide Metro public transport system has a safe and secure trip.

Unfortunately there are people in the community who don't respect the system - or others using it. Their acts can harm people, the stops and shelters you wait at or the buses, trains or trams that you travel on.

It is the Government's mission to provide a safe, clean and sustainable passenger transport system. The Adelaide Metro is working with SA Police and the community to encourage a sense of ownership of the public transport system.

## Things to remember

- ✓ If you see an incident where public transport is being violated or anti-social behaviour is evident, don't risk your own safety by intervening - advise the Adelaide Metro bus driver, rail passenger service assistant, tram conductor or ring BankSA Crime Stoppers immediately
- ✓ Adelaide Metro staff have direct radio access to SA Police and emergency services
- ✓ Watch what is going on around you, identify anyone who is acting suspiciously and take notes (either on the spot or afterwards)
- ✓ You can use one of the emergency help phones provided at the following locations:
