

Project overview

Construction work is underway on a \$350 million redevelopment of the Adelaide Convention Centre.

The redevelopment will be delivered in two stages. Construction of the first stage, which began in September 2011 expands the existing facility westwards over the railway lines to link with Morphett Street bridge. Stage one will be completed in mid 2014.

Stage two, replacing the existing plenary building is scheduled for completion in mid 2017.

A redeveloped Adelaide Convention Centre will create one of the largest, most flexible and up-to-date meeting places in the world.

Key features will include:

- A striking built form shape, roof structures and facade inspired by the South Australian landscape, particularly the layers and colours of the cliffs, rock formations and escarpments of the Flinders Ranges
- Three distinct and individually iconic buildings capable of hosting one single major event or three separate events concurrently.

For further information:

- call: 1300 305 255 – line open 9am to 5pm weekdays with voicemail outside of these times
- email: DPTI.ConventionCentreProjectTeam@sa.gov.au
- visit: infrastructure.sa.gov.au

The department thanks you for your patience and understanding while this important upgrade is underway.

This information is a true and accurate guide to times and services described at the time of publication. However, the Adelaide Metro and its Service Provider reserve the right to re-route and change conditions without notice. For clarification on all issues it is recommended to call the Adelaide Metro InfoLine on 1300 311 108. February 2012. PTD1956.

Bus – Grange to Woodville

Train – Outer Harbor & Woodville to Adelaide

The nature of the building work associated with the redevelopment of the Adelaide Convention Centre is such that at any one time two of the Adelaide Railway Station's nine platforms must be closed to allow for construction work.

To minimise the overall impact of this limited platform space, the decision has been made to provide alternate services for Grange and Tonsley line services for a period of approximately 12 months.

Thank you for your understanding and patience as we progress an infrastructure project of State significance.

Travel information

The first stage

The first stage of the Adelaide Convention Centre Redevelopment involves the expansion of the existing facility westward over the railway lines to link with the Morphett Street bridge. The nature of this redevelopment means at any one time, two of the Adelaide Railway Station's nine platforms must be closed for construction.

With the temporary modification of services along the Grange train line, the Outer Harbor train will be required to make additional scheduled stops at stations which would otherwise be covered by the Grange train. For this reason, the temporary timetable includes both Grange and Outer Harbor services. As construction will take place between 6am and 7pm Monday to Friday, the Grange and Outer Harbor train services will run to their normal timetable after 7pm Monday to Friday and all day on Saturday, Sunday and public holidays.

Substitute buses have been allocated based on current frequency and use of trains to ensure there are enough vehicles to transport all commuters between Grange Station and Woodville Station. Substitute bus services and regular bus and train services will be monitored throughout construction.

What is the bus service?

A substitute bus service will operate between Grange and Woodville stations.

The bus service has been designed to substitute the Grange train service as closely as possible in terms of service frequency and stopping locations.

Please check the timetable thoroughly to ensure you will arrive at your destination on time.

Substitute bus services take longer than the regular train services. While trains travel within a dedicated corridor, buses have to travel along public roads and share them with other road users.

This means you may need to catch an earlier service than usual to arrive at your destination on time.

Getting on the bus

As a number of regular bus services may operate via your substitute bus stop, please ensure you hail the bus you require by raising your hand as the bus approaches your stop. Enter via the front doors only and validate your Metroticket in the validating machine just inside the front door.

Getting off the bus

Red buttons are located on the poles throughout most Adelaide Metro buses. Press this button to notify the driver that you wish to get off at the next stop.

Accessible transport

All substitute bus services will be fully accessible.

Bike users

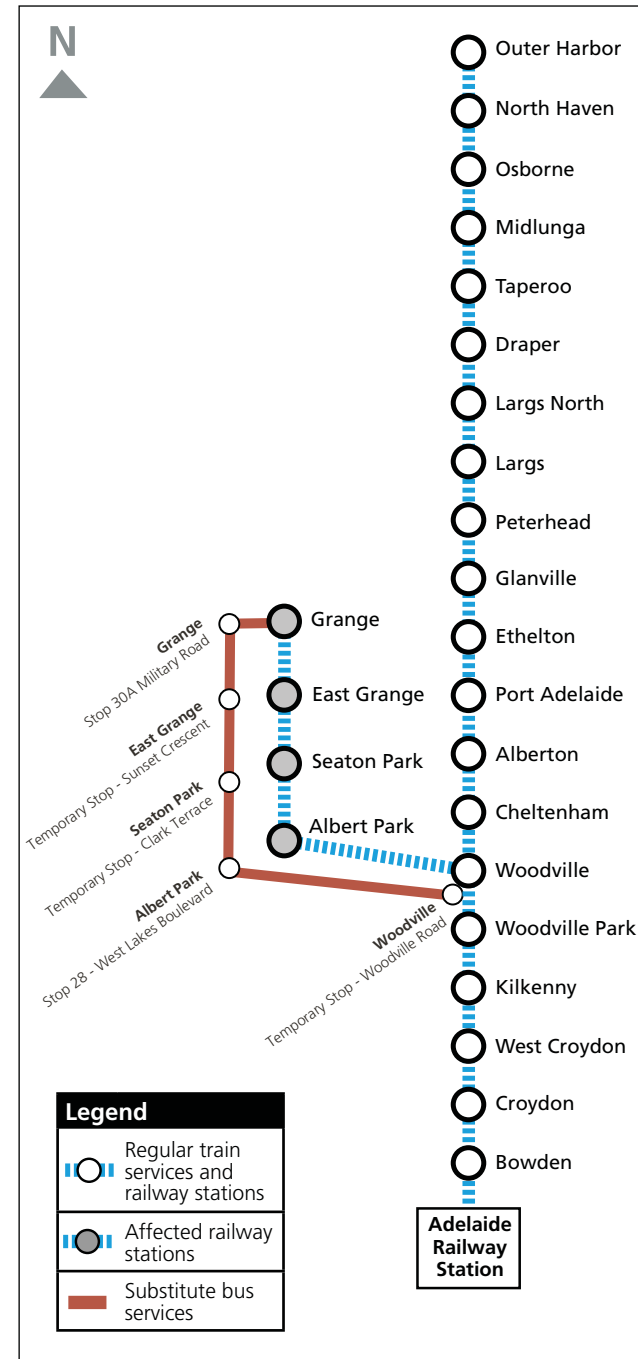

To ensure the comfort and safety of all passengers, bicycles are not permitted on substitute bus services, however, bike lockers are located at:

- > Grange Station
- > Woodville Station.

To enquire about bike locker availability and hire, please call Adelaide Metro on 1300 311 108.

Substitute bus route

Grange to Woodville

From stop 30A Military Road (Grange Station) via Military Road, Jetty Street, Sunset Crescent (East Grange Station), Frederick Road, Trimmer Parade, Tapleys Hill Road, Clark Terrace (Seaton Park Station), West Lakes Boulevard (Albert Park Station), Port Road and Woodville Road, terminating at the temporary stop on the west side of Woodville Road just south of Woodville Station.

Woodville to Grange

From the temporary stop on the west side of Woodville Road just south of Woodville Station via Woodville Road, Torrens Road, Cheltenham Parade, West Lakes Boulevard (Albert Park Station), Clark Terrace (Seaton Park Station), Tapleys Hill Road, Trimmer Parade, Frederick Road, Sunset Crescent (East Grange Station), Jetty Street, Charles Sturt Avenue and Terminus Street to stop 30A Military Road (Grange Station).

Affected Stations	Substitute Bus Stop
Grange	Stop 30A Military Road
East Grange	Temporary Stop - Sunset Crescent
Seaton Park	Temporary Stop - Clark Terrace
Albert Park	Stop 28 West Lakes Boulevard
Woodville	Woodville Road west side south of station
